Dear Ms. Bose:

Re: Paiute Pipeline Company  
Baseline Electronic Tariff Filing  
Docket No. RP10-

---

Pursuant to Part 154 of the regulations of the Federal Energy Regulatory Commission (Commission), and in compliance with the Commission's Order No. 714,<sup>1</sup> Paiute Pipeline Company (Paiute) hereby tenders for filing and acceptance the baseline electronic filing of its FERC Gas Tariff, Third Revised Volume No. 1-A, superseding Second Revised Volume No. 1-A, with a proposed effective date of July 30, 2010.

**Statement of Nature, Reasons and Basis for Proposed Changes**

On September 19, 2008, the Commission issued Order No. 714 in Docket No. RM01-5-000 requiring that all tariffs, tariff revisions, and rate change applications be filed electronically starting April 1, 2010. The order also required that each pipeline submit a filing to establish a Baseline Electronic Tariff, which essentially is the pipeline's existing tariff in electronic format.

In submitting its Baseline Electronic Tariff, Paiute has made no changes to the tariff language in its currently effective Second Revised Volume No. 1-A. Paiute will continue to maintain the sheet-based format. All tariff sheets are referenced as Original, additional pages have been inserted for "Future Use", and sheets that were labeled A, B, etc. have been renumbered sequentially.

The attached table identifies the currently effective tariff sheets in Paiute's Second Revised Volume No. 1-A along with the renumbered tariff sheets in Paiute's Baseline Electronic Tariff, Third Revised Volume No. 1-A.

Paiute respectfully requests that the Commission permit the tariff sheets tendered herewith to become effective July 30, 2010, as proposed. To the extent required, if any, Paiute requests that the Commission grant such waivers as it may deem necessary for the acceptance of this filing to be effective as proposed herein.

In accordance with the Commission's regulations, Paiute submits herewith the following:

- An eTariff.xml filing package containing the Baseline Tariff in electronic format with metadata attached; and
- A .pdf file of the tariff sheets for posting on the Commission's eLibrary

The undersigned hereby certifies that the electronic contents of this filing contain the same information as the paper version being submitted herewith, that the undersigned has read and knows the contents of said tariff sheets, and that the matters and facts set forth therein are true to the best of his information, knowledge and belief.

It is respectfully requested that correspondence and orders concerning this filing, as well as communications and pleadings with respect hereto filed by other parties, be served upon the following persons:
